J. H. LACK, THE TAILOR.

RETURNS TO BEAUMONT.

After an absence of thirteen months I have returned to Beaumont and reopened a tailor shop in the rear of Western Union telegraph office in the Stengle building. While away I have worked in some of the best tailor shops in some of the larger cities of the United States and also took a six weeks' course in Webb's Cutting School at Minneapolis, which is considered one of the best in this country and am therefore much better prepared to make good fitting and stylish clothing than ever before.

I respectfully request my old customers and all others who contemplate having fall clothes made, to call on me before placing an order elsewhere.

Rear of Western Union telegraph office.

Got His Prisoner.

Sheriff Matthews of Carthage, Panola county, came down last night and took into custody Bird, alias Tully McDonell, whose arrest was noted in these columns last week. Sheriff Matthews left for Carthage this morning.

Will Preach Tonight.

Rev. J. A. Smart returned from the Baptist association at Liberty this morning accompanied by Rev. J. M. Gaddy, who will be remembered as having conducted a very successful revival at the Auditorium last winter.

Rev. Gaddy had a day to spare, and at the earnest solicitation of Rev. Smart consented to come to Beaumont and hold services tonight. Every one cordially invited to attend.

A Big Deal.

Yesterday the Cow Creek Tram changed hands and George Adams of Call is now the proprietor. The deal was consummated in Orange yesterday and Dennis T. Call disposed of all his interests in the Cow Creek Tram company including timber lands, the tram road, mill planer, etc. The deal involves about \$40,000 and the papers in making the transfer required over \$100 worth of revenue stamps.

Letter of Commendation.

The following letter to Judge Ed P. Gray speaks for itself:

FORT CLARK, TEXAS, Sept. 23.

Judge Ed P. Gray, Beaumont, Texas:

Dear Judge—Knowing that you will appreciate the fact that Earl has been a good boy and a dutiful soldier I write you. I frankly and sincerely say to you, or to any one, that he has been all he could be in relation to conduct. When he enlisted I thought perhaps the discipline would be hard and disagreeable to him and that he, being used to a good home and comforts, would complain, but I found out immediately that there was not a boy in the 105 who did less kicking or who was always more prompt than Earl. He has, during all of our experiences, been on hand at every bugle call, always drilled well, and never missed his turn at fatigue work or anywhere when he was needed. I hate very bad to see him go, for I know, no matter who fills his rank, they can not be a better soldier than he has been, yet of course all of us are tired, and I want to see them all go that can and want to.

I told Earl the other day that if he, when he left, would do his duty through life as well as he has as a soldier, he would certainly succeed, and that this discipline would perhaps aid him, for he now knew he could be regular and steady in every habit and duty if he chooses. I feel grateful to him as well as many of the boys for the nice manner in which they have treated me. I only have to make the slightest request and they always seem eager to grant it, and Earl especially has always been respectful and kind.

You may think strange that I take the opportunity to tell you all this, but Earl deserves it all.

MATTINGS.

I have some of the most astonishing bargains in mattings ever heard of in Beaumont. The fact is I was astonished at the prices at which I bought them. Why you can't afford to use bare floors when you can buy matting so cheap. Think of it! JAPANESE MATTING with cotton wool for 12 1-2 cents. Matting which usually costs 11 cents wholesale, I sell at 8 cents. I have only a few pieces in stock but will have more. Come and see these bargains.
